

EFFORTLESS CONVEYANCING

For an Effortless Experience

When local resident Paula Guy launched her conveyancing firm in October last year, she never dared dream that winning awards would be part of the fun! But Effortless Conveyancing has been honoured with the Regional Rising Star Award for 2024, by the Australian Institute of Conveyancers (AIC), at their annual state conference. This accolade is presented to conveyancing firms that demonstrate significant growth, innovation, and excellence in client service. Effortless Conveyancing’s rapid ascent in the industry, coupled with glowing client testimonials, caught the attention of the AIC judges.

After being in the industry for close to ten years, Paula decided to take the leap into business ownership, and provide locals with quality, experience and an overall effortless transaction when buying or selling property in Victoria.

Effortless Conveyancing’s passion lies with assisting people with their first home purchase or their tenth! Every client is treated as family and every transaction is treated just as important as the last.

If you are buying or selling, why not contact Effortless Conveyancing and ensure that your most important life decision is in good hands. You can contact Paula at Effortless Conveyancing on social media, via their website (www.effortlessconveyancing.com.au), email at paula@econv.com.au or on 0427 519 547.
